Project	2024-2-ES01-KA210-ADU-000293347 My Rights: Increasing Knowledge and Safeguarding Rights of Persons with Disabilities
Brief description and main Objective	<p>My Rights Project, funded by Erasmus + programme, arose from the need to contribute to raising awareness of the capacity and right of people with disabilities to participate in self-decision-making processes with the necessary support and safeguards, as the International Convention on the Rights of Persons with Disabilities guarantees.</p> <p>OBJECTIVE: The main objective of this project is to improve support systems and protection practices for people with disabilities in Spain and France, focusing on learning and helping improve the necessary skills of people with disabilities, family and those who work in the field of providing support and/or care to people with disabilities, by promoting the decision-making process and fostering social inclusion. This project aims to empower people with disabilities and equip professionals with the knowledge and skills to effectively advocate for practices based on the rights of people with disabilities.</p>
